are

Fish

What do I eat?

Where do I live?

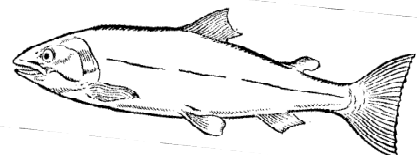

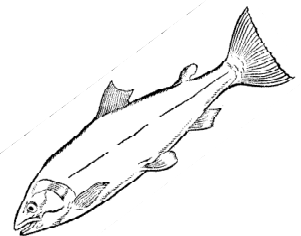

Am I a bird, mammal, fish, or insect?

Do I give birth to live young or eggs?

Do I swim, walk, hop, run, slither, or fly?

Do I have skin, fur, scales, or feathers?

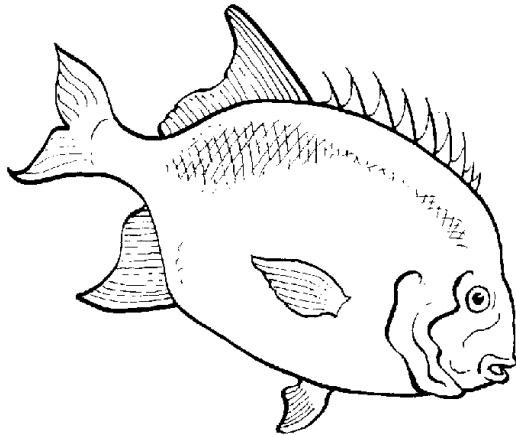

Am I warm or cold blooded?

Fish Facts

1.

Write a sentence about fish:

Draw Your Fish

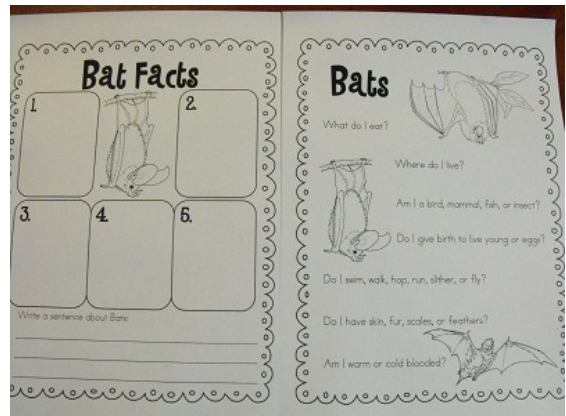

Tell about your fish:

Instructions for Assembling

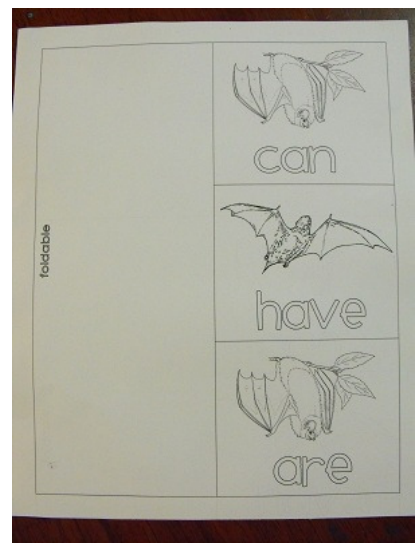

1. Print pieces.

2. Place these two side by side and tape together underneath.

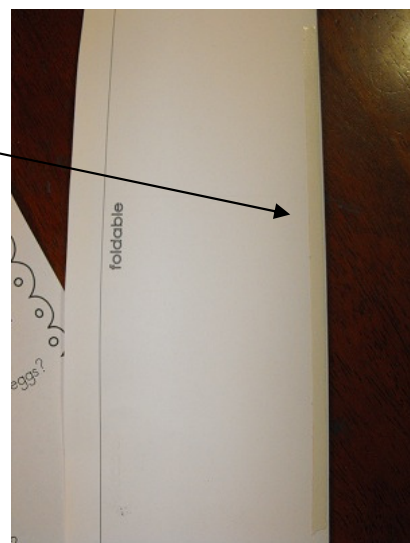

3. Take the two can, have, are pages and tape them back to back. Or if you are handy with a printer, print them back to back.

4. Fold over and cut along the lines so that it becomes a little book with flaps.

5. Turn the flip book over and run a single piece of double sided tape up the right hand side.

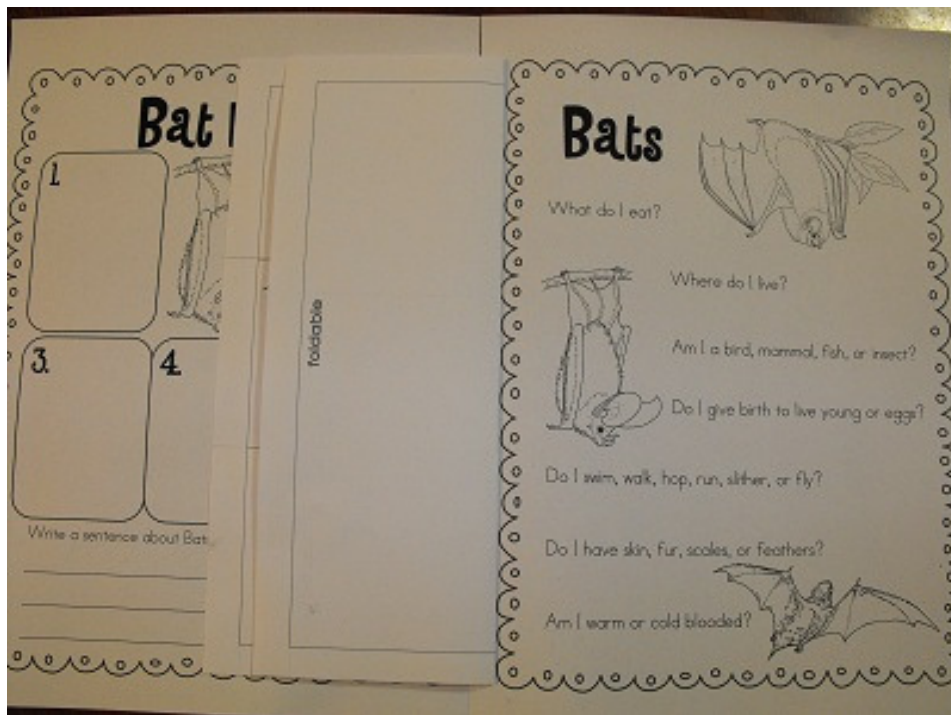

6. Attach slightly to the right of the open double pages.

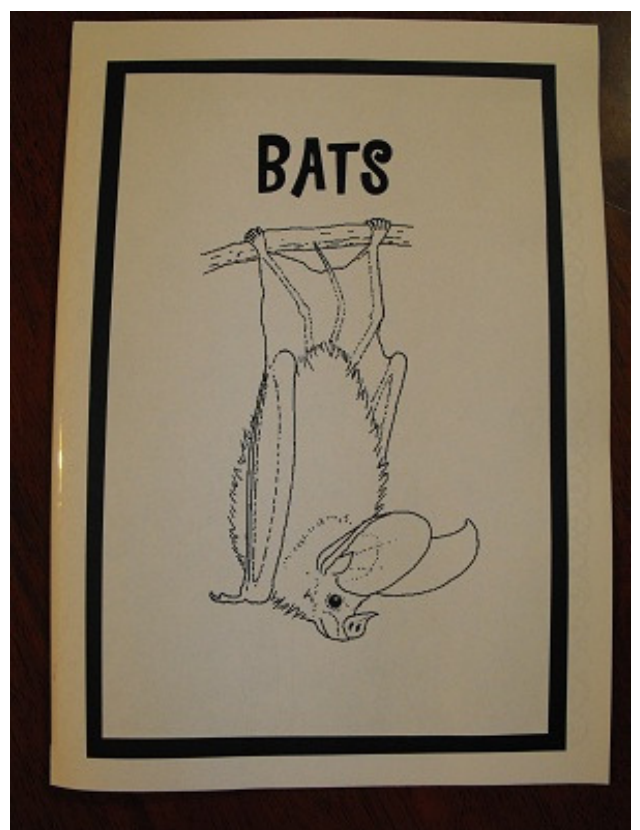

7. How it should look with the can, have, are book open.

8. Fold over last page of flip book to reveal the Bats page.

9. Fold entire piece closed and ADD a cover to the front.
{Optional}
Now you are ready to fill it all in.

Thank you for visiting.
